

Point your Internet browser to the Criss Library website at <http://library.unomaha.edu> and click the account login link in the upper right corner of the homepage:

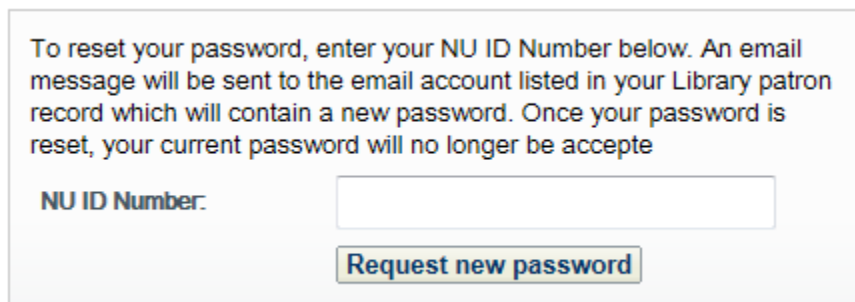

The screenshot shows the top navigation bar of the Criss Library website with tabs for 'Books & More', 'Databases', 'eJournals', and 'DigitalCommons'. Below this, the text 'MY LIBRARY ACCOUNT LOGIN' is circled in blue. The main heading reads 'Find items at UNO Criss Library and beyond'. Below the heading is a search bar with a 'Go' button. Underneath the search bar, it says 'Limit results to:' followed by a dropdown menu currently set to 'University of Nebraska Omaha'. At the bottom of the search section, there is a link for 'Advanced Search' and a 'Search with WorldCat' logo.

If you have not already set up an account on the new library system, click the link to set/reset your password:

The screenshot shows a 'Sign in' section with two input fields: 'NU ID Number:' and 'Password:'. Below these fields are two buttons: 'Sign In' and 'Cancel'. At the bottom of the section, the text 'Set/reset password' is circled in blue.

Follow the instructions to set/reset your library account password:

The screenshot shows a box containing instructions for resetting a password. The text reads: 'To reset your password, enter your NU ID Number below. An email message will be sent to the email account listed in your Library patron record which will contain a new password. Once your password is reset, your current password will no longer be accepted'. Below the text is an input field for 'NU ID Number:' and a button labeled 'Request new password'.

Once your account is established on the new library system, you should be able to login to databases from off-campus.
