Insurance Executive Ill Three Years

Dr. C. C. Criss, insurance executive, died Sunday at his home at 216 North Fairacres Road. Death came at about 8 a. m., following a heart attack. Dr. Criss had been in poor health for three years. He was 72.

Dr. Criss was chairman of the boards of directors of the Com-panion Companies, Mutual Benefit Health and Accident Association and United Benefit Life Insurance Company.

Born and raised in Sac City, Ia., Dr. Criss attended Creighton Medical School and received a medical degree in 1912. Gave Up Practice

He gave up his medical practice to accept the position of treasurer and manager of the as-

occupied until he retired from active management of the company on April 10, 1949.

it become the largest exclusive a quarter century.

Company was organized in March, and six grandchildren. 1947, and Dr. Criss was elected president.

Survivors: wife, Mrs. Mabel L. will be at Steele Cemetery, Falls Criss; a sister, Mrs. F. W. Eng-City, Neb. and a niece, Mrs. Hubert C. Carden. All are of Omaha, Funeral will be at 3 p. m. Tues-

day at the First Presbyterian Church. Burial in Forest Lawn Cemetery.

and Glenn Ecklund. Honorary pallbearers will be all general managers of the Companion Companies,
offices and all members of the
Boards of Directors.

Other survivors include a son,
rious. But officials agree that it
forty-eighth birthday.

At that time sine was cheered

The company building will be at La Mesa. closed Tuesday.

The body is at the John A. Gentleman Mortuary. It will lie in state at the church Tuesday

24 Evening World-Herald, Omaha, Mon., March 10, 1952. Bombs, B-36's Pose Question

Strategists in Debate on Priority

Washington (P)—A critical question is shaping up for American strategy makers: Should the United States have more atomic bombs or more bombers? Atomic Energy Commission and

military leaders say some competiion already exists between the AEC and the armed forces for materials and technical man The decision of the Government to launch into a huge expansion of

the atomic energy program, while at the same time adding more than 50 wings to the Air Force and building artillery and tanks, will sharpen the rivalry for metals and men.

Little Increase

The point made by some airwar experts is that American superiority over Russia in the num ber of atomic bombs is meaning less if there is an insufficient deliver them in decisive quantity

He was named chairman of the boards of directors of both Mutual Benefit and United Benefit at that time.

In his 42 years' association with Mutual Benefit, Dr. Criss watched ago after being with the company it become the largest exclusive a quarter century.

While there has been some improvement in the "shoestring Air Force" of which Gen. Hoyt Vandenberg, air chief staff, spoke early Sunday at a local hospital.

Mr. Martin retired secretary dearly Sunday at a local hospital.

Mr. Martin retired several years bomber fleet apparently has not increased substantially.
