and 1970.

Mrs. Criss

nations from Mrs. Criss and her husband. Other Interests

A woman whose outside inter-ests included travel, golf and

ests included travel, golf and needlepoint, she undertook community activities as well as business responsibilities. She had been a member of the City Planning Committee and the building committee of Chil-drens Hospital and chairman of the board of the Community Chest, now United Way of the Midlands.

She was a founder of the Sne was a founder of the Omaha chapter of the National Office Management Associ-ation. She was awarded the na-tional association's Fellowship Award for Achievement in 1951, the first upman so recognized

the first woman so recognized. Mrs. Criss was named a foundress of Creighton Univer-sity and of the Wisconsin Prov-

ince of the Jesuit Order in 1963, making her the first person in the country to hold both titles.

She also received an honorary

doctoral degree from Creighton

More Awards

More Awards She received the Nebraska Academy of Science's "Friend of Science" award in 1970, the Governor's Humanitarian Award in 1974 and the Ne-braska Arthritis Foundation's

Woman of Year award in 1976.

Mrs. Criss there is one thing that apparently is not known with much certainty – her age. Even Mutual of Omaha offi-cials are not certain how old she

was or even when her birthday was, though it was customary

One company-prepared biog-raphy listed Mrs. Criss' birth-date as May 1, 1881, at Cedar Rapids, Iowa. Officials say. however, that they have not been able to confirm that. If it is chouved house been 96

One Child The Crisses had only one child, a son who died in infancy in Bloomfield.

Survivors include a half-sis

ter, Leola Chambers of McCook, Neb., and aniece, Mrs. H. C. Carden of Sun City, Ariz.

Valentine received 39 percent of the possible sunshine for the month, Omaha and Lincoln, 41 percent, and North Platte, 44 percent. Those amounts were

among the lowest ever received for any February since the state's sunshine data has been collected, according to the report.

Precipitation was above normal in all areas of the state last month. Most sites recorded total monthly snowfall of 15 to 27 inches with Mullen receiving 33 inches.
